

1 Key Business Objectives

Select 1-3 key objectives. Write on sticky notes.

5 Antipatterns/Pitfalls

Select top 3-5, Discuss them.

6 Define Target State

Define Target State

6.2

Place Target State on the wave.

6.1

Where Current Wave will be in 1 year?

6.3

Place Target State on the wave.

6.4

Where Legacy Wave will be in 1 year?

6.5

Place Target State on the wave.

6.6

Where Future Wave will be in 1 year?

2 Your Current Wave

How most of it work is currently performed.

Paradigm Patterns

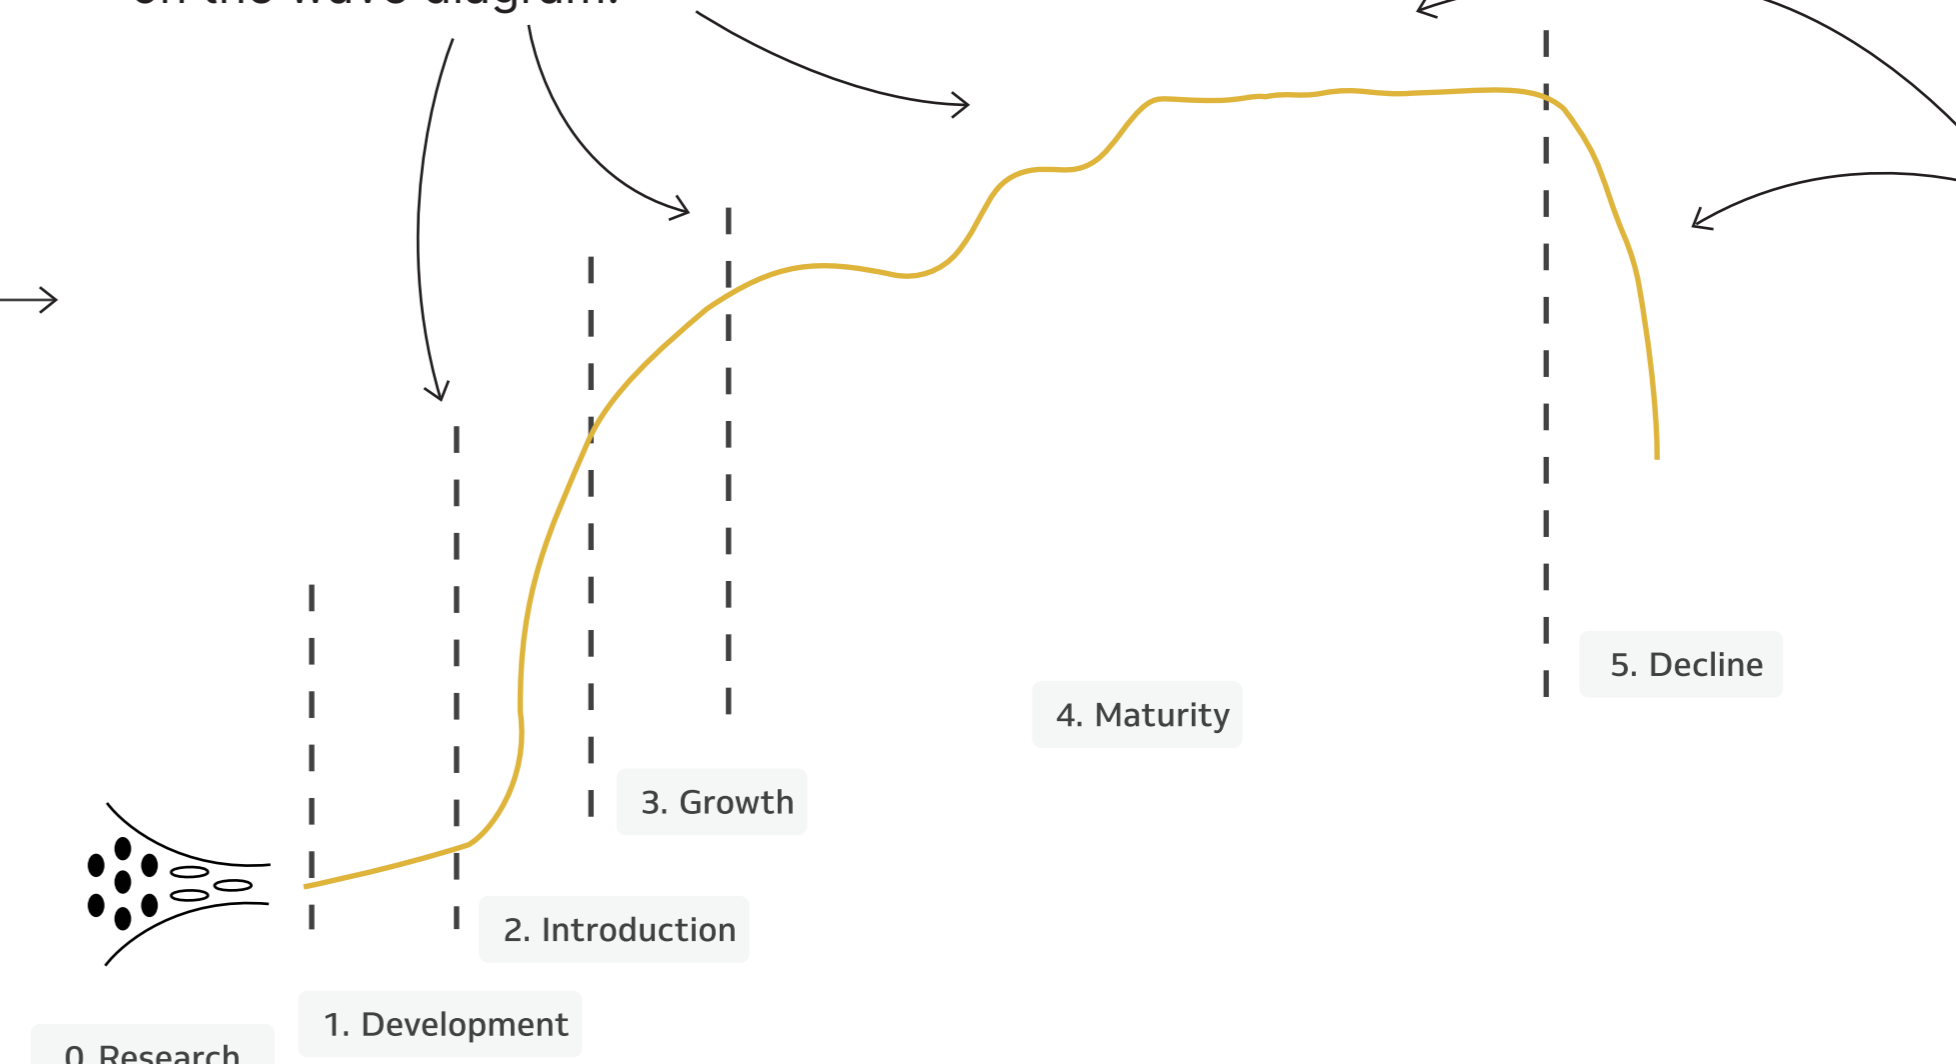

2.3 Evaluate each pattern 1-5 where 1 is hardly or poorly used, 5 efficient and well build.

2.4 Write on sticky note overall maturity of current wave on scale 1-5; 1- Poor 5 - Best in class

2.5 Roughly what is % of landscape and people at this wave?

2.6

Place yourself on the wave diagram.

6.2

Place Target State on the wave.

6.1

Where Current Wave will be in 1 year?

3 Your Legacy Wave

How most of it work is currently performed.

Paradigm Patterns

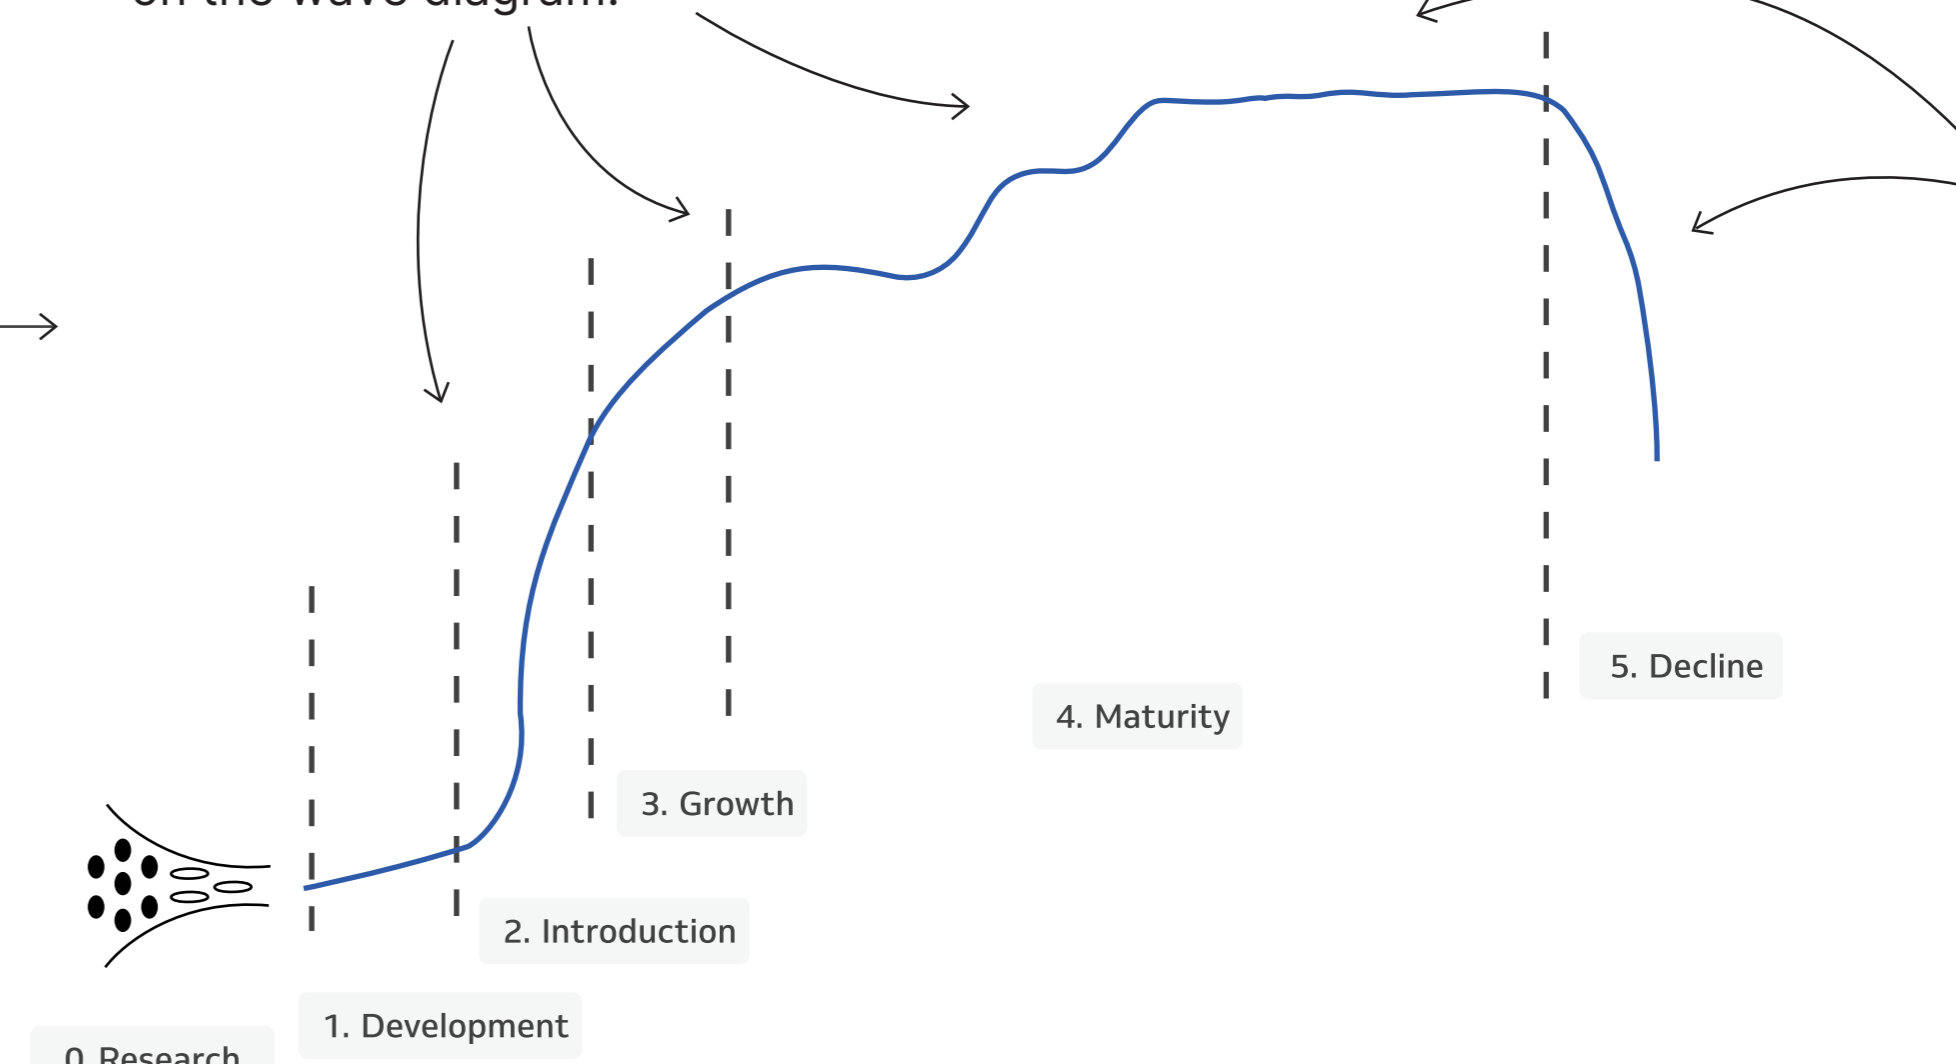

3.3 Evaluate each pattern 1-5 where 1 is hardly or poorly used, 5 efficient and well build.

3.4 Write on sticky note overall maturity of current wave on scale 1-5; 1- Poor 5 - Best in class

3.5 Roughly what is % of landscape and people at this wave?

3.6

Place yourself on the wave diagram.

6.3

Place Target State on the wave.

6.4

Where Legacy Wave will be in 1 year?

4 Your Future Wave

How most of it work is currently performed.

Paradigm Patterns

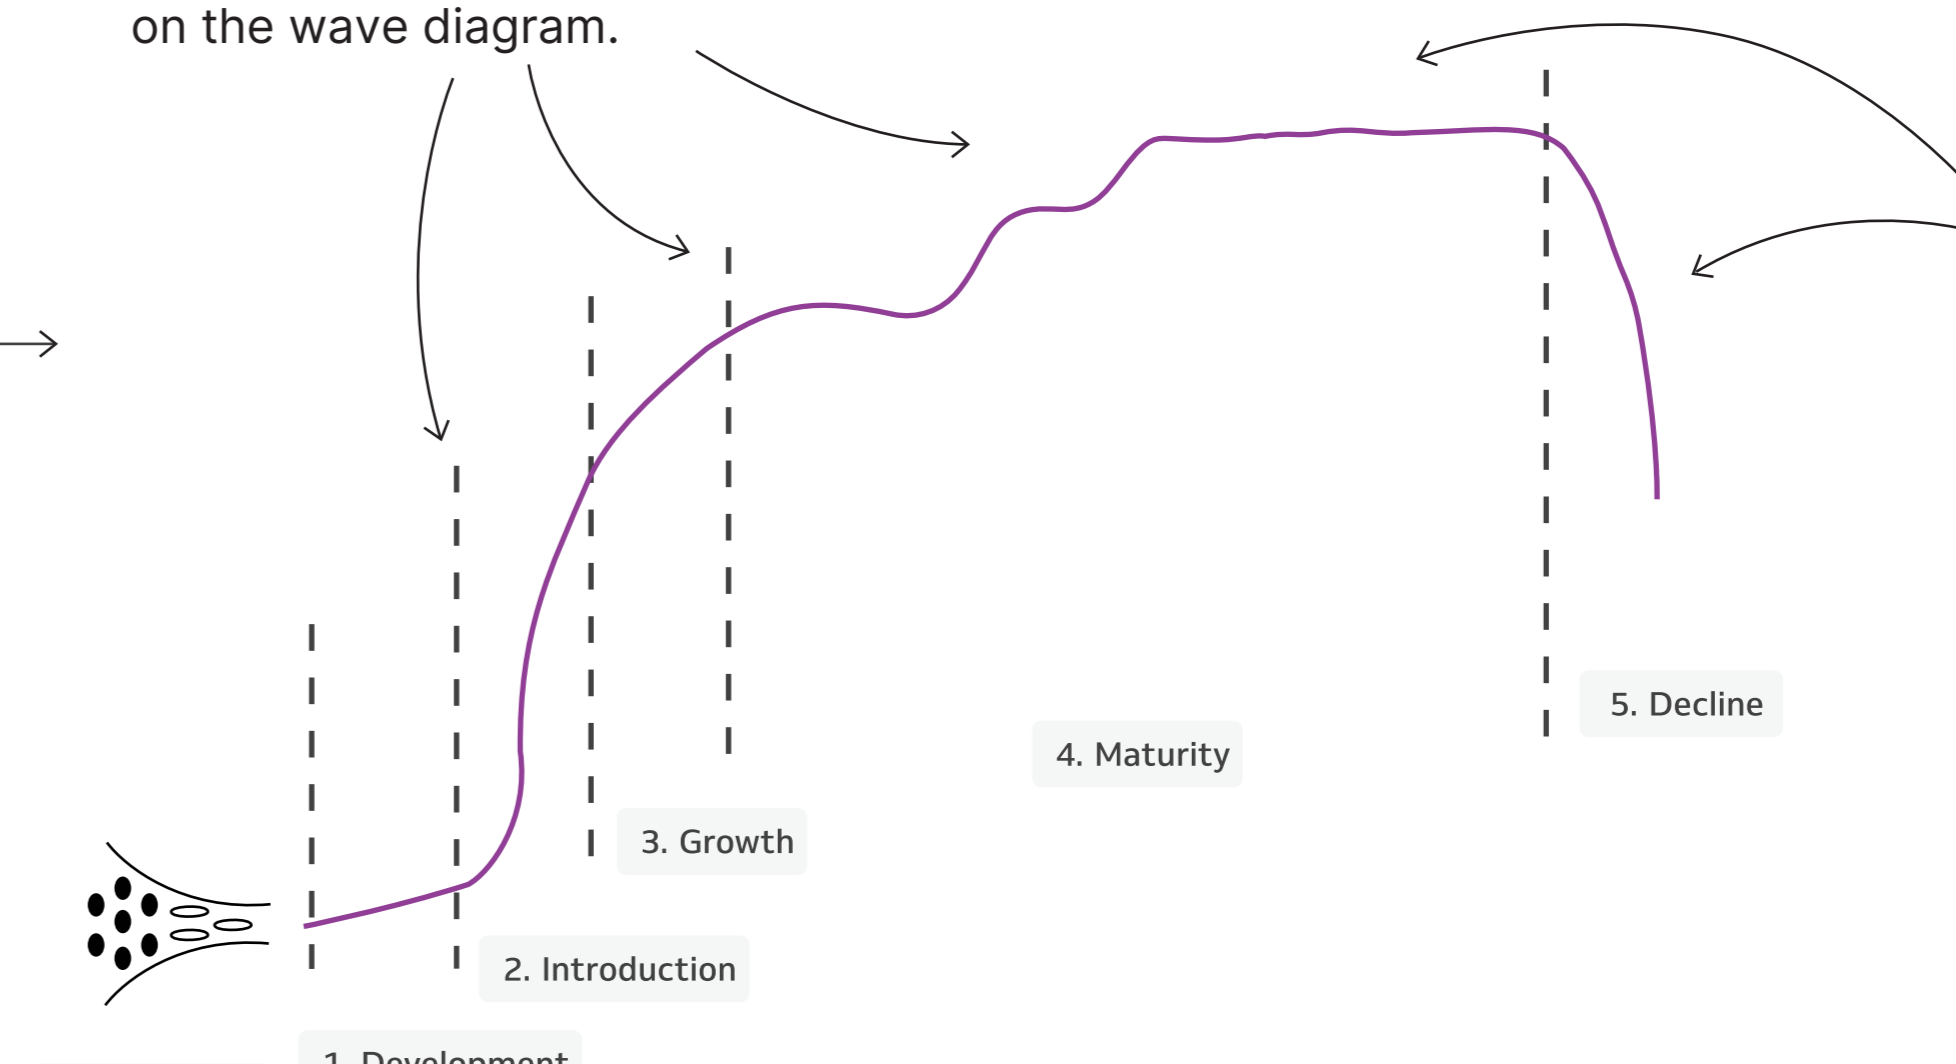

4.3 Evaluate each pattern 1-5 where 1 is hardly or poorly used, 5 efficient and well build.

4.4 Write on sticky note overall maturity of current wave on scale 1-5; 1- Poor 5 - Best in class

4.5 Roughly what is % of landscape and people at this wave?

4.6

Place yourself on the wave diagram.

6.5

Place Target State on the wave.

6.6

Where Future Wave will be in 1 year?

7 Plan Your Transformation

Review the gap for each wave and use transformation patterns to plan the move from current to target state. Use right patterns for each stage.

7.1 Current Wave

7.2 Legacy Wave

7.3 Future Wave

8 Next Steps

Write immediate next steps for each wave.

9 Conclusion

Summarize the exercise. Extract the key ideas and key learnings.
